### Eruption of Vesuvius.

The State Fair management has closed a contract with Payne's Pyrotechnic Co. for a reproduction of the Eruption of Vesuvius during the big exhibition at Louisville, September 16-21. This is one of the greatest fire work spectacles ever produced in the United States. It is expected to prove a big attraction.

### Good Farm For Sale.

Farm of 200 acres, 23 acres bottom land; good dwelling of eight rooms; fine orchard; well watered; close to churches and school; all necessary outbuildings; three miles from Clay City on good road. Land will grow good crops of corn, tobacco, grass and other products. A bargain for some one. For particulars see, J. E. Burgher, Clay City, Ky.

Algin Derickson, of this county has been very sick at Simpson, Ky., but is now improving.

**WANTED**—Man with force enough (men or women) to milk 80 cows. Would also hire two or three single men, but must be sober and industrious. Pay good wages. (References Required.) Apply to M. B. Lovell, Paris, Ky.

### Stanton High School.

The Stanton School Board has adopted a High School course. School will begin there September 3rd with three teachers beside the Superintendent Mrs. Sylvia Russell, as follows: Miss Dalton, of Lexington; Miss Moses, of London; Miss Mollie Johnson, of Clay City. Under the Principalship of Mrs. Russell, in the past few years, the School at Stanton has advanced from the ordinary common school course to the highest line of study now taught in any public school in the State. This speaks well for both the Board of trustees and Mrs. Russell.

### Our Prospect for School Brighter.

The prospects are very bright for the college mentioned in a former issue of this paper to be located at Powell's county seat. The citizens of Stanton have raised \$5,000 as an inducement for its location there. The location of this school is to be decided by the Synods of the Presbyterian Churches of Pennsylvania and New York. The first named state has held their meeting and decided in Stanton's favor. The latter state will shortly pass on the location of the school.

Stanton is said to be considerably in the lead of competitive points, and it is thought that the action of the Pennsylvania Synod has practically settled the matter. If this project is finally decided in our favor, and we believe it will be, all of Powell county will be greatly benefitted.

Some of our best people have left the county because of the inadequate school facilities. We must have a seat of higher learning in the county or we will lose more. This seems to be our opportunity and every citizen in the county should be interested in the success of the cause.

### Jr. O. U. A. M. Flag Raising.

Vinton Council, No. 162 Jr. O. U. A. M. will, on Sept. 7, present the school of Vinton, Ky., with a flag and Bible. Miss Madge Welch, the teacher, will call her pupils together to witness the flag raising and partake of the features of the day. All the schools in the community are invited to be present. There will be speaking and all kinds of refreshments on the ground.

We extend a cordial invitation to one and all to come and partake with us in a grand rally in the behalf of our beloved order.

Leming Howell,
